Household is synonymous with family and means a group of related or unrelated individuals who are not residents of an institution or boarding house, but who are living as one economic unit sharing housing and all significant income and expenses. This scale does not apply to households that receive Supplemental Nutrition Assistance Program (SNAP) benefits—known as CalFresh in California, Food Distribution Program on Indian Reservations (FDPIR) benefits, or children who are recipients of Temporary Assistance for Needy Families—known as CalWORKs in California. Those children are automatically eligible for free meal benefits.
