DAY CARE HOME PROVIDER LETTER

July 1, 2023 – June 30, 2024

Dear Provider:

If you wish to receive reimbursement for meals served to your own children or residential children under the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP), you must complete, sign, and return the enclosed *Meal Benefit Form* to us.

Our office has determined if you reside in an area qualifying for Tier I or Tier II reimbursement. Follow the instructions listed next to the checked box.

Establishing Eligibility for Reimbursement for Meals Served to Your Own Children for Providers that live in a Tier II area:

It has been determined that you live in an area that qualifies for Tier II reimbursement. In order to be eligible for meal reimbursement for your own children under individual economic need you must:

- Submit a completed and signed *Meal Benefit Form*.
- Ensure you report all household income, not just your day care home business income.
- Provide sufficient documentation of your income to determine your eligibility based on individual economic need.
- Check the box in Section 1 on the *Meal Benefit Form*, indicating that you are a day care home provider applying for Tier I benefits.

We are required by law to verify the income information you report on your *Meal Benefit Form*. Please include income documentation with your completed *Meal Benefit Form* (See page 4 of the *Meal Benefit Form*). If you operated a day care home business last year, please attach a copy of your most recent tax return, including Schedule C. Income documentation may include:

- Payment statements from salaried work for all members of your household, including your spouse.
- A copy of your most recent tax return forms showing your accurate income.
- Statements from other forms of income for all household members.
- Proof of your gross household income for last month along with an income and expenses statement for that month.

Establishing Eligibility for Reimbursement for Meals Served to Your Own Children for Providers that live in a Tier I area:

It has been determined that you live in an area that qualifies for Tier I reimbursement. If you wish to receive reimbursement for meals served to your own children, you must complete and sign the *Meal Benefit Form*. Our office **may** verify the income information you submit, but we are not required to do so in this circumstance. In this situation, do not submit income documentation unless we specifically ask you to do so.

For All Households

Any provider that is categorically eligible due to receiving benefits from CalFresh (formerly known as Food Stamps), the California Work Opportunity and Responsibility for Kids (CalWORKs), the Kinship Guardian Assistance Payment (Kin-GAP), or the Food Distribution Program on Indian Reservations (FDPIR), **must supply proof of benefits** as supported by a current case number and letter showing benefit participant's name and dates of benefits.

USDA defines a household as a group of related or unrelated individuals (not residents of a boarding house or an institution) who are living as one economic unit (i.e., sharing living expenses). Therefore, the income reported on the Meal Benefit Form must include the gross income of all members of your household, by source.

The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection.

Once properly approved for Tier I, whether through income or proof of benefits, you will remain eligible for those benefits for a period not to exceed 12 months.

If you are not approved to claim your own children, you should notify us if a member of your household becomes unemployed and the loss of income during the period of unemployment causes your household income to be within the eligibility standards.

Confidentiality of Information on the Meal Benefit Form:

We will use the information on the form to decide if you qualify for Tier I reimbursement or if you are eligible to claim reimbursement for meals served to your own children. We may inform officials of other child nutrition, health and education programs of the information on your form to determine benefits for those programs.
