The Child and Adult Care Food Program (CACFP) operates on the Cash Reimbursement System. Your reimbursement will be paid two months after the claim month. (You will receive your reimbursement for April in June). It takes the California Department of Social Services (CDSS) approximately 45 days to disburse the funds to us, and we have 5 working days to issue the payment to you. There is no set date that the funds must be paid. To check the most recent payment information, you can message in KidKare. It will be updated when the funds are available.
