CACFP Week: Stirring up Goodness

March 15 - March 21

CACFP Week is a national education and information campaign sponsored annually the third week of March by the National CACFP Sponsors Association.

The campaign is designed to raise awareness of how the USDA's Child and Adult Care Food Program works to combat hunger.

This year, CACFP is highlighting how the program is Stirring Up Goodness across the country, with its positive impact and the people who make it happen, one meal at a time.
